mr. dale h. boggy — north miami's chief pioneer

A "jack-of-all-trades" and a master of many is North Miami's principal, Mr. Dale Boggy. By his own admission, he is in charge of "anything and everything." Under his supervision is the entire student body, the complete daily program, all extracurricular activities and the school grounds. His main responsibility is to help students maintain their high scholastic average and faculty members keep outstanding records.

By constantly serving, advising and encouraging teachers and the student body, Mr. Boggy has earned the admiration and respect of all.

In spite of his crowded schedule, he finds time to attend all school functions and is certainly one of North Miami's most spirited "Pioneers."

Attending to clerical duties such as attendance and absentees, Mrs. Ida Meyers—Assistant Principal of Attendance, also offers special help to girl students.

Responsible for the administration of North Miami in the absence of Mr. Boggy is Mr. Paul Duncan, Assistant Principal of Administration. He is also in charge of disciplining the boy students.

This year for the first time Mr. Duncan is teaching a psychology—sociology class as part of his daily schedule. He enjoys the direct contact with students that the class hours provide.

By counseling students, they help provide assistance in adjusting to life and in finding the best program for which a student is suited. A basic correlation between the home and school are essential for successful adjustment.

To keep school activities running smoothly and in an orderly fashion is the responsibility of Mr. Lipscomb, Assistant Principal of Activities. School functions such as dances, pep rallies, bake or bagel sales must be cleared by him.

Mr. Lipscomb, also, supervises club membership drives and their general activities.

Through his efforts, the student body and faculty are informed of activities at North Miami.

As Assistant Principal of the Vocational Department, Mr. Kurland tailors vocational programs for the growing demand for skilled workers.

Under his guidance are the business education, art, home economics, industrial arts and cosmetology departments. Mr. Kurland helps guide young men and women, who are not college bound, to find jobs.

Mrs. Branhan, as Assistant Principal for Curriculum, is in charge of the regular classroom subjects. She helps the department heads of the English, language, math, science, social studies, physical education, and music departments by ordering the necessary materials needed for that particular department.

Providing guidance for students in the best direction for their abilities and interests is the responsibility of Mrs. Seward, Assistant Principal of Guidance. She helps new students become familiar with the activities and opportunities offered at North Miami.

Each year new materials on colleges and jobs are sent to our school. Mrs. Seward tries to collect some information on each job opportunity to give students a broad field from which to choose.

counselors help students decide vocational ambition

The guidance department, a constant bustle of activity, is the heart of the school. Here, the many counselors furnish thirty-two hours of help a week to students, under the supervision of Mrs. Myra Seward. The counselors aid "students help themselves" by providing each student with the help he needs in discovering his potentialities, and exploring his opportunities.

secretaries and aides maintain school efficiency

Through the efforts of the secretarial staff, all necessary clerical work needed to keep North Miami running smoothly, is carried out. This year there are thirteen secretaries employed in aiding the principal, the assistant principals, and the various department heads. Some of their duties include: recording Mr. Boggy's daily schedule, preparing of attendance records and bulletins, registering of incoming students, maintaining the treasury, filling out transcripts for seniors, operating of the audio visual-book room situation, and aiding the television class teachers with supervision and grade recording.

english department encourages reading and writing as skills for future

Through the study of English, students are given a broader insight into the mechanics of self-expression and the realm of literature.

To better equip students in expressing their ideas, grammar and spelling are stressed in tenth grade. Tenth grade, also, presents students with a general introduction to literature. In the eleventh grade classes, American literature is the object of study. By studying the foundation and history of American literature, the development of the American style and the contributions of major American authors enlarges a student's view of literary America. During the twelfth grade, students are taught the history of English literature and are introduced to its major contributors. This year, for the first time, College Preparatory English is being taught. It prepares students for the work load they will carry in college. Another elective offered is world literature which surveys the great works of the world.

Combined, these courses aid students in appreciating literature and in developing skills needed for clear, concise expression of one's ideas.

foreign languages open new doors for travel-minded students

World understanding must begin by knowing about the customs and languages of our neighbors. To promote this understanding, courses in Latin, Spanish, French, German, Russian, and Spanish V, which can be taken this year, are offered at North Miami.

Language classrooms are now equipped with thirty-two position speech labs, containing a set of microphones for each position. Through listening to native speakers, students improve their pronunciation.

Each year, certain numbers of Spanish students travel to Monterrey, Mexico to study the culture and language of the local Spanish speaking people. It consists of a half-day of class with the remainder of each day for visiting local spots.

Due to the increasing importance of numbers in our lives, mathematics is often called the science of the future. Millions of people utilize mathematic techniques every day: from the housewife who adds her shopping bill, to the scientist who plots the course of a planet.

This year three new courses have been added to the math department. They are as follows: Math V, intermediate Algebra II, and computing machines. Regular math courses taught at North Miami include general math I through IV, algebra I and II, plane, solid, and analytic geometry, trigonometry, and calculus.

social studies enhances the past

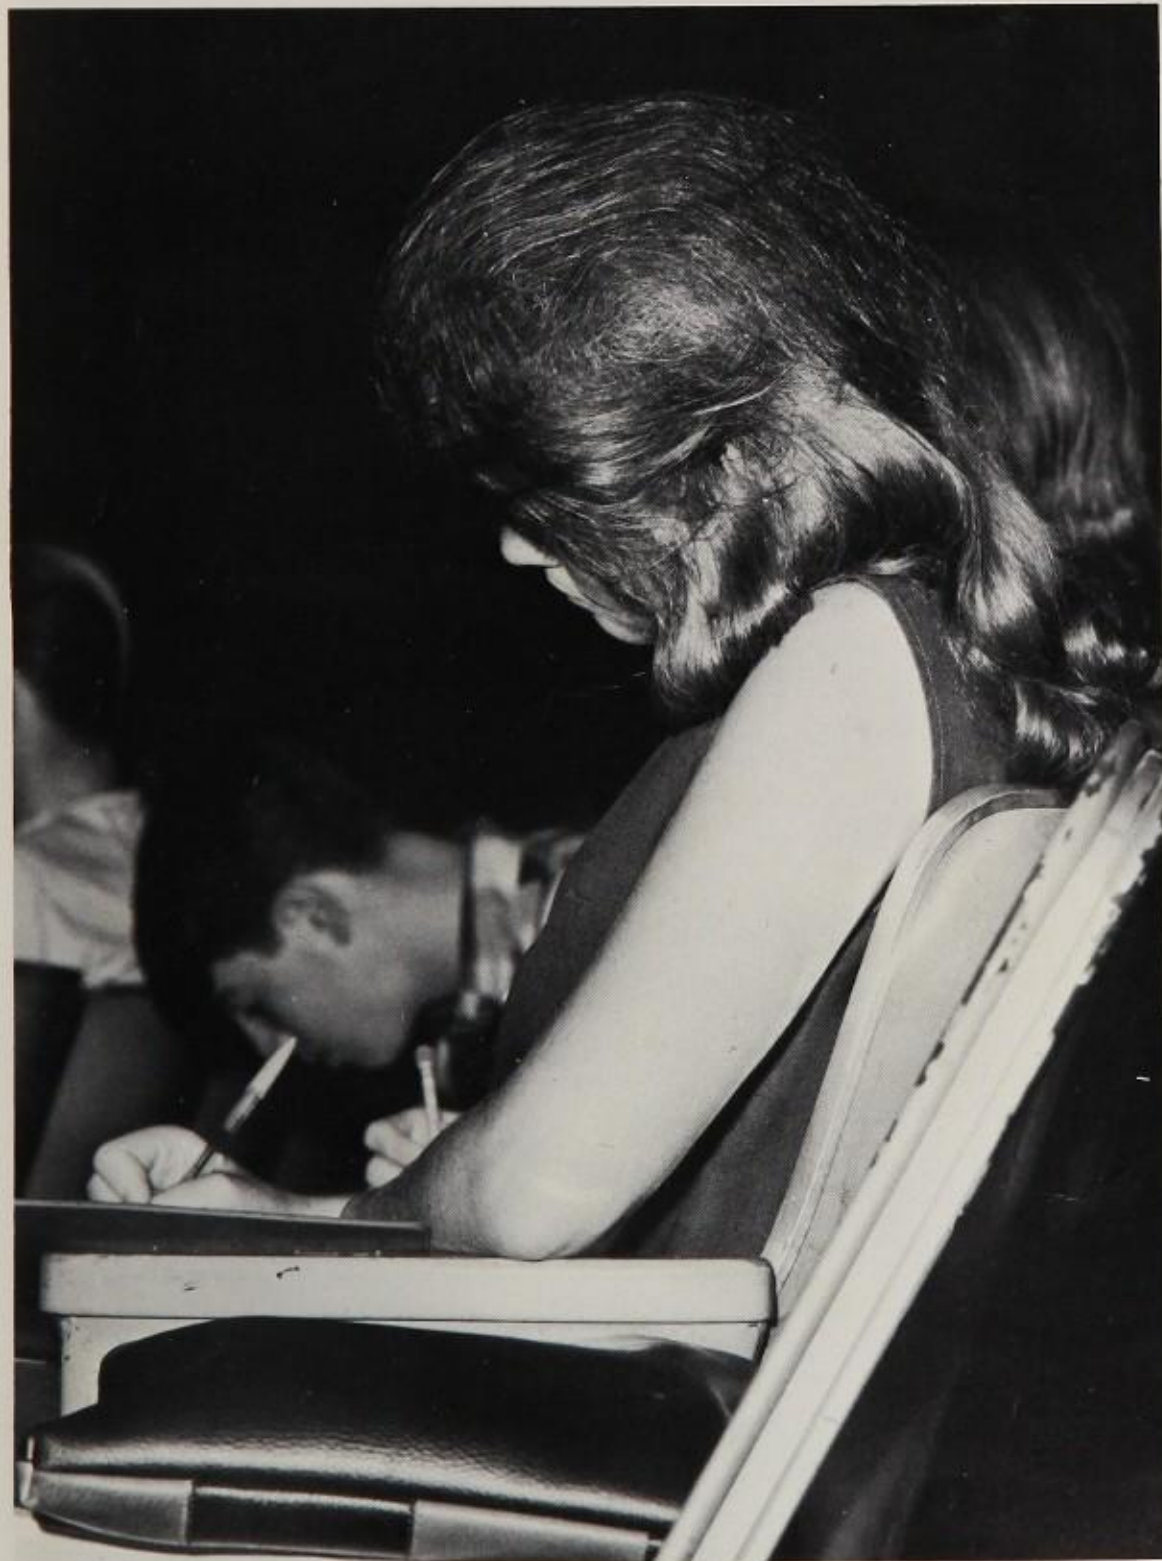

To utilize the resources of the past, the present, and the future of the world and our country, a knowledge of social studies is necessary. Courses such as American history, world history, government, economics, psychology, and sociology aid students in understanding the varied and changing world.

The history of mankind from the dawn of time to the informative world of today is covered in world history, while American history views the growth and expansion of our country. Government and economics give an insight to the American way of life and the world problems we face today. Through the study of psychology and sociology, the development of man as an individual enables a clearer understanding of history.

To give us a more meaningful perception of the universe, three new courses have been added this year. They are: Latin-American history, world geography, and economic geography.

Instilling in students a sense of sportsmanship and giving instruction for skills in varied activities, the physical education department holds a meaningful purpose in our lives: that of being fit.

Driver's education was taught for nine continual weeks this year instead of being mixed with the regular first semester physical education classes in previous years.

Developing skills in music is aided through the band, and orchestra. Concert choir, also, increases an individual's ability to appreciate music.

Along with art and music, North Miami offers classes in journalism and creative writing. It trains students in the correct form and principles of writing and encourages self-expression.

business education prepares for future business careers

Students are prepared for future employment by taking courses in business education such as typing, shorthand, business math, bookkeeping, and office work. These subjects lay the foundation for clerical work.

To better educate students in the practical usage of formal techniques, students participate in C.B.E. (Cooperative Business Education) which promotes a combined school and work day. Other students take part in D.C.T. (Diversified Cooperative Training) which promotes civic duties through the growth of cooperative vocational education. pioneers scalp chiefs 7-6

North Miami started the 1965 football season with a 7-6 victory over the Carol City Chiefs. Controlling the ball for almost all the first quarter, Carol City drew first "blood" when they drove 80 yards for a touchdown with Warren Culbertson "bulling" it over from the one. The extra point try was no good when a bad pass from center prevented Jerry Larve from putting his foot to the ball.

North Miami evened the score early in the second quarter on Jim Drummond's pass to Mike Davis—good for 21 yards. Drummond, then, threaded his way up the middle for the tying six points. Wayne Cathey then kicked the go-ahead point to end all scoring for the evening.

Through the fine "ball hawking" of the Pioneer defensive unit they kept the Chiefs from scoring after they had succeeded in carrying the ball to the four yard line at one instance and later to the North Miami 15 yard line as a result of a fumble.

nm falls to norland 19-0

North Miami Pioneer's first loss of the season was a 19-0 victory for the Norland Vikings.

A fumble recovery by Norland guard, Steve Balafont, accounted for the Viking's first touchdown in the first quarter. The second and third Viking touchdowns came when Norland quarterback, Jackie Holmes threw passes to Chris Gyles, halfback, for 11 yards and to end, Dreter Mathis, good for 12 yards.

Pioneers and Coach "Red" Bogart cheer on fellow team mates.

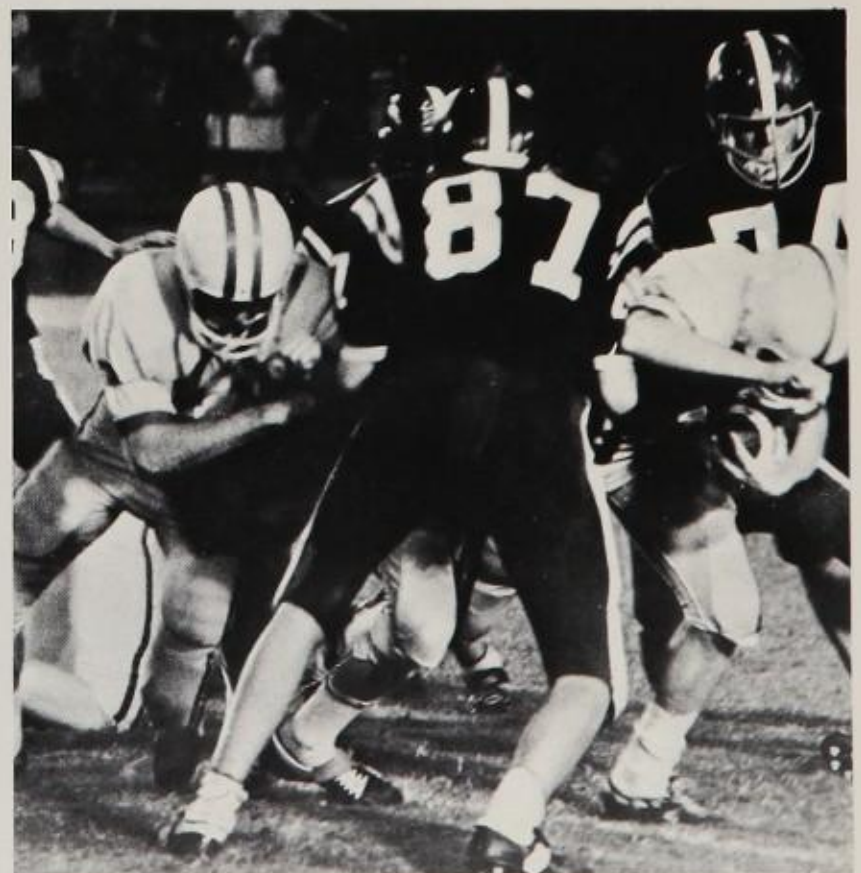

edison yields to nm 7-6

Wayne Cathey kicked his second winning conversion to give North Miami a 7-6 "sneaker" over Edison in the first meeting between the two North Dade powerhouses in three years.

The Edison Red Raiders used the last seven minutes to stage an outstanding come-back that carried them from their 27 to the North Miami 6 yard line. On four and two, the Raiders tried the "power" play over the right side of the Pioneer defensive line that had worked so well earlier in the drive, only to be thrown back.

North Miami scored their touchdown on a 25 yard burst through right tackle, Mike Davis. Cathey's first try at a conversion failed, but Edison was offsides. His second try, however, was high and straight.

south dade ties north miami 13-13

Pioneers scored on their first offensive series when halfback, Jim Drummond, returned the opening kickoff 43-yards to the Rebel's 47. Eight plays later, halfback, Mike Davis, streaked up the middle for the TD. Wayne Cathey's extra point kick sailed high but wide of the goal posts, leaving North Miami with a 6-0 lead after four minutes of the first quarter.

The Rebels came back in the second quarter to tie the score with halfback, Tom Sanders, gaining 58 of South Dade's 69 yards.

Late in the third quarter Pioneer defensive back, James Helton, picked up a South Dade fumble at the Rebel 45 and scooted 26 yards. Ray Carol, then, passed to Drummond for the second TD and Cathy kicked the extra point for a Pioneer 13 to 6 lead.

In the fourth quarter, North Miami committed a fumble which led to a tying score. Sanders, of South Dade, running both for the TD and the extra point.

Jim Chapman, in the fourth quarter, intercepted a South Dade pass with less than a minute to go to insure a tie.

pioneers down dragons 20-13

Previously unbeaten Stranahan Dragons were surprised when the North Miami Pioneers generated 325 offensive yards and won 20-13 at an away game.

Following a Dragon touchdown in the first quarter, the Pioneers took over the ball and refused to yield the ball until three touchdowns later. North Miami's first score came after they marched 41 yards followed by a 26 yard pass to Jim Drummond by Ray Carroll. The extra point was good and the Pioneers led 7-6.

Less than three minutes later, North Miami recovered a Stranahan fumble on the Dragons' 25. Jim Drummond pushed a short pass to Mike Davis who went in for the score.

In the second half of the game, halfback, Bill Donohoe crashed up the middle 65 yards for the defensive touchdown. Wayne Cathey's kick was true and the Pioneers led 20-6. Stranahan made the last touchdown as they moved 52 yards from their 48 to score on a 4 yard pass.

Mike Davis struggles for extra yardage but is stopped by overpowering Stingarees.

Proving to be too much for the Pioneers, the undefeated Stingarees rocked North Miami 21-0 at the Orange Bowl Stadium.

Miami High grabbed a 7-0 lead on its first offensive series when Richard Hornel threw 21 yards to Jack Lauramore with seven minutes left in the first quarter. The Stingarees kept the lead the rest of the half as their punts kept the Pioneers inside their 20 yard line.

When time ran out in the second half, North Miami reached the Miami High 18 yard line.

pioneers tame tornados 24-0

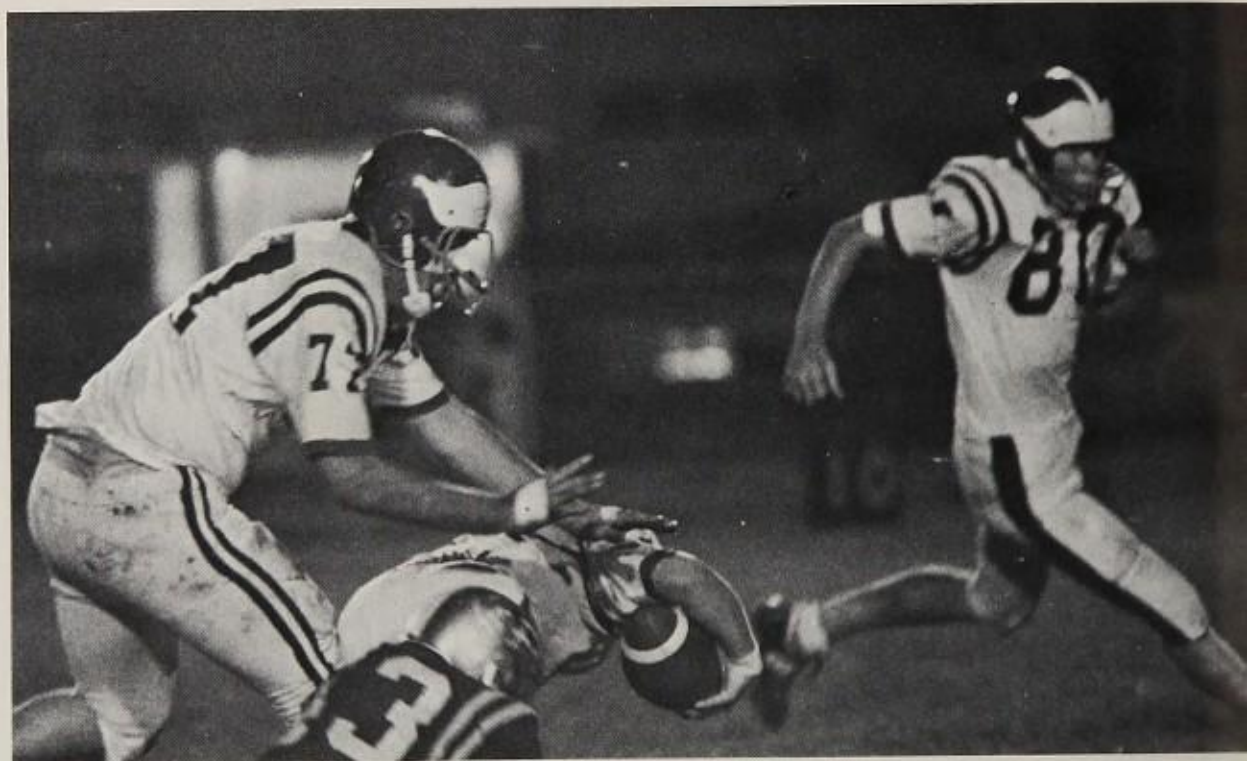

Two plays after the opening kick-off North Miami made their first touchdown when Jim Drummond ran fifty-nine yards. Before the first quarter ended, the Pioneers had scored again. Defensive tackle, Charles Stockdon, ran thirty-one yards to the Pompano 2-yard line and Bill Donohoe went in for the score.

During the second half, George Debaby recovered a Tornado fumble and scooted fifty-four yards for a touchdown.

In the fourth quarter Mike Davis topped a Pioneer sixty-nine yard drive with a one yard six pointer.

Playing a conservative game by letting the Flying-L's take all the chances, the Pioneers gained a 10-0 victory and snapped Fort Lauderdale's chances of repeating as division champions.

In the second quarter, Jim Drummond recovered Ron Moran's punt at the Lauderdale 11-yard line. Wayne Cathey, then, booted a 20-yard field goal for a 3-0 lead for North Miami.

North Miami's touchdown was made in the fourth quarter when Wayne Willer recovered Jim Drummond's fumble in the Lauderdale end zone. Wayne Cathey kicked the extra point, insuring the Pioneer's fifth victory against two defeats and one tie.

nm lances knights 22-0

The North Miami Pioneers completed their third straight win of the football season by whitewashing Curley High 22-0.

Blasting forty-three yards through the center of the Curley line, Bill Donohoe made the first North Miami score. Later, in the second quarter, Mike Davis drilled ten yards for a 15-0 half-time lead.

During the third quarter, the Pioneers added another touchdown when Bob Rossi plunged one yard.

hialeah tumbles to nm 20-0 sealing northern division championship

Intercepting a Hialeah pass late in the first quarter, Steve Smith, defensive back, opened the scoring for North Miami. Moving fifty-two yards in twelve plays, Ray Carroll handed off to Jim Drummond who passed five yards to Mike Davis for the score. Wayne Cathey converted.

During the third quarter, Hialeah began moving on the ground. As soon as they reached Pioneer territory, the drive stalled. At the Hialeah 18-yard line, Mike Davis received a hand off and went in for the second Pioneer touchdown. Wayne Cathey, again, converted.

In the late stages of the final period, the Pioneers moved almost seventy yards. Mike Davis then dived over a right tackle for the final two yards. Cathey's kick was wide.

Bob Rossi moves up the middle.

coral park downs nm 13-7 for gold coast championship

North Miami yielded to Coral Park 13-7. Coral Park scored first when Steve Sarnoff ran up the middle for a seven to nothing in the second quarter. North Miami, then, came back in the third quarter when tackle Ernie Ladish recovered a Coral Park fumble at the Rams 6-yard line. Two plays later, Jim Drummond scored from the 4-yard line.

During the fourth quarter, Howard Plath, Rams, halted an attempted fifty-three yard field goal try by Wayne Cathey. Cathey got off a low snap from the center and momentarily bobbled the ball. John Tagler crashed into Cathey and the ball bounced behind them. Howard Plath scooped up the ball and ran fifty-two yards for the second Coral Park TD.

varsity basketball

Speed, quick reflexes, fast shooting, and an aggressive attitude add up to fine qualities for athletes, which in total makes the game of basketball an exciting sport. The basketball team, headed by Coach Merchant, was composed of a majority of players unseasoned in varsity playing.

With two new outstanding additions to the team, Dave Boggy and Joe Miranda, the Pioneers ended the regular playing season with a 9-6 record. Dave Boggy, high point man, maintained a 14.2 game average with Joe Miranda, running a close second, averaged 12.7 points per game. Due to the fine playing efforts, some of the big wins of the season were: NM-Central 65-37, NM-Hialeah 77-48, NM-South Dade 82-65.

gymnasts build sound bodies and coordination

From plays an important part in scoring points.

North Miami's gymnastic team, headed by Coach Cicio, includes twenty-four members; eighteen boys and six girls. To be a member of the gymnastic team, a student must have grace, agility, coordination, strength, ability to maintain grades, and a desire to work out, hard and often, in order to perform well.

The six olympic events for the boys are: the long horse, the horizontal bars, the side horse, the floor exercise, and the still rings. Special events include tumbling and trampoline. For the girls, the olympic events are: the uneven parallel bars, the vaulting horse, the balance beam, and the floor exercise.

Since 1960, the team has maintained an outstanding record of 57 wins-11 losses-2 ties. They have also won the AAU. Championship for four years in a row. Each year, several boys from the team have received scholarships to various colleges since 1962.

A sense of balance and skill are important components of trampoline competition.

swimming team sets 8-4 record

Swimming is considered to be one of the best body-building sports. It is, also, valuable as a means of recreation to provide relaxation for mind and body.

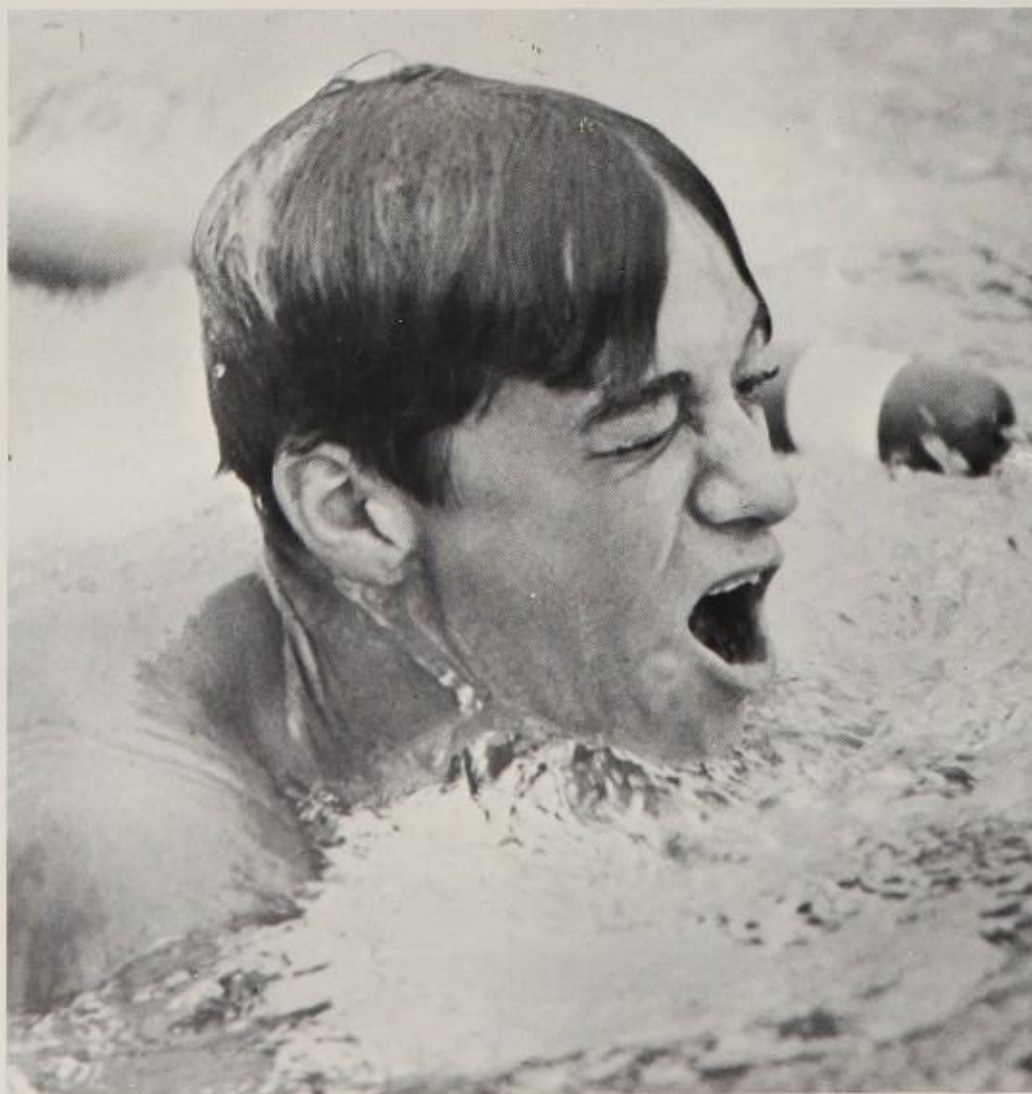

The North Miami swimming team, which consists of thirty-eight members, finished the season with an 8-4 record. They participated in swimming meets once a week at Victory Park pool, competing in the medley relay, freestyle, diving, the butterfly, the backstroke, and the breast stroke.

In order to boost school spirit and to encourage support at football and basketball games, the cheerleaders lead the school at pep rallies and games. During this season, they introduced new cheers such as "You're Lookin' Good Big Team!" "S-T-O-P 'em", and "Time for Score!"

This year there are thirteen cheerleaders. To qualify for cheerleading, they must attend training sessions, compete in try-outs, and maintain a 2.8 scholastic average.

This year, as in preceding years, they sold "Beat" tags and sweat shirts. They, also, held a victory dance in honor of the football team.

"PIONEER" FIGHT SONG
Fight, fight, you Pioneers,
We're gonna drive right
through that line.
We're gonna hit 'em high,
We're gonna hit 'em low,
Show 'em that GO GO
we're gonna GO!
And then we'll forge on to Victory.
And we'll be sure the whole world hears
We've got the Best Team in the land.

Kathy Suit leads way with ladder to start decorating.

Blossoming into a world of fantasy, "Somewhere Over the Rainbow" enwrapped the evening of the Junior-Senior Prom with a bewitching spell. Soft strains of music filled the auditorium as the steeples of the Emerald City caught the couples up into the magic of the Land of Oz. Small buildings with steeples, depicting the various buildings of Oz, adorned the individual tables.

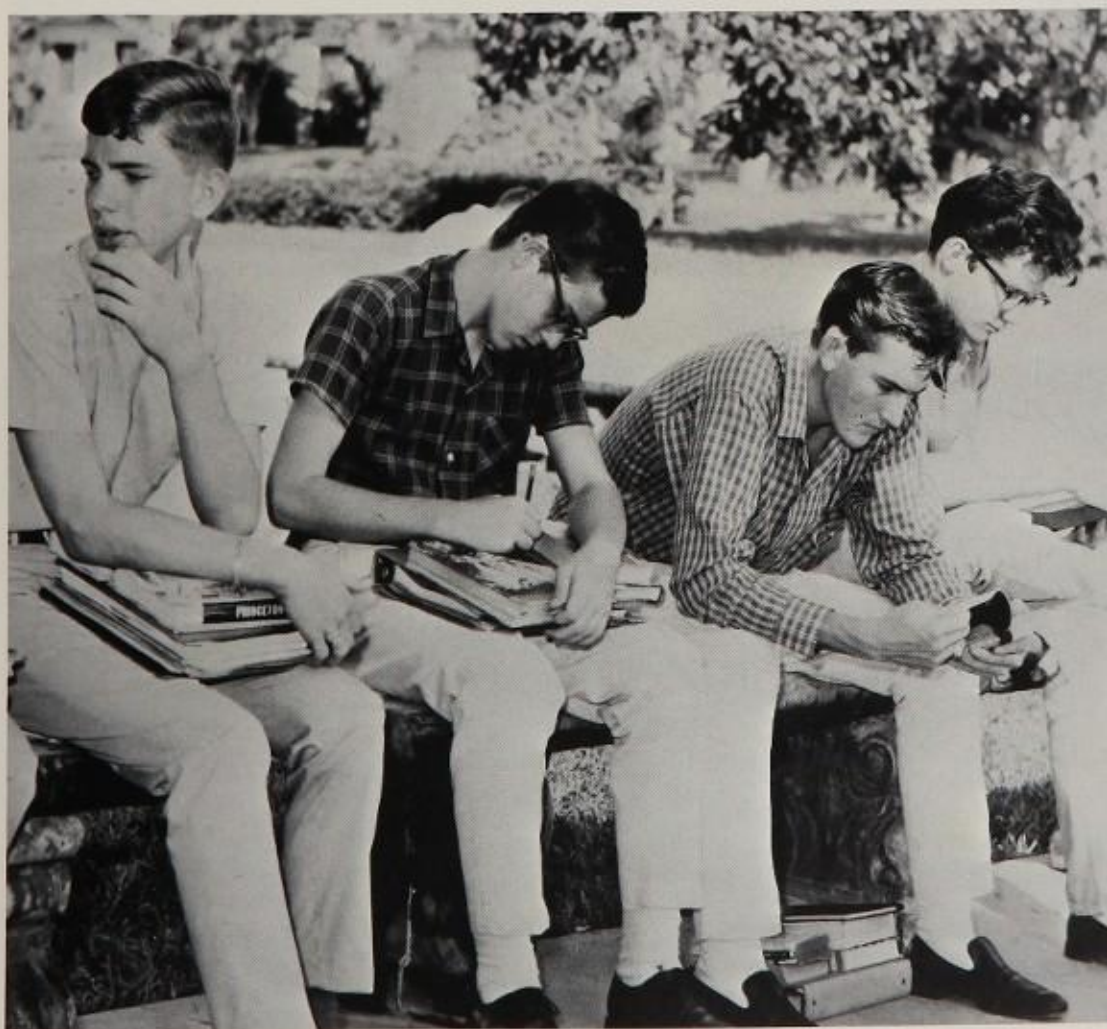

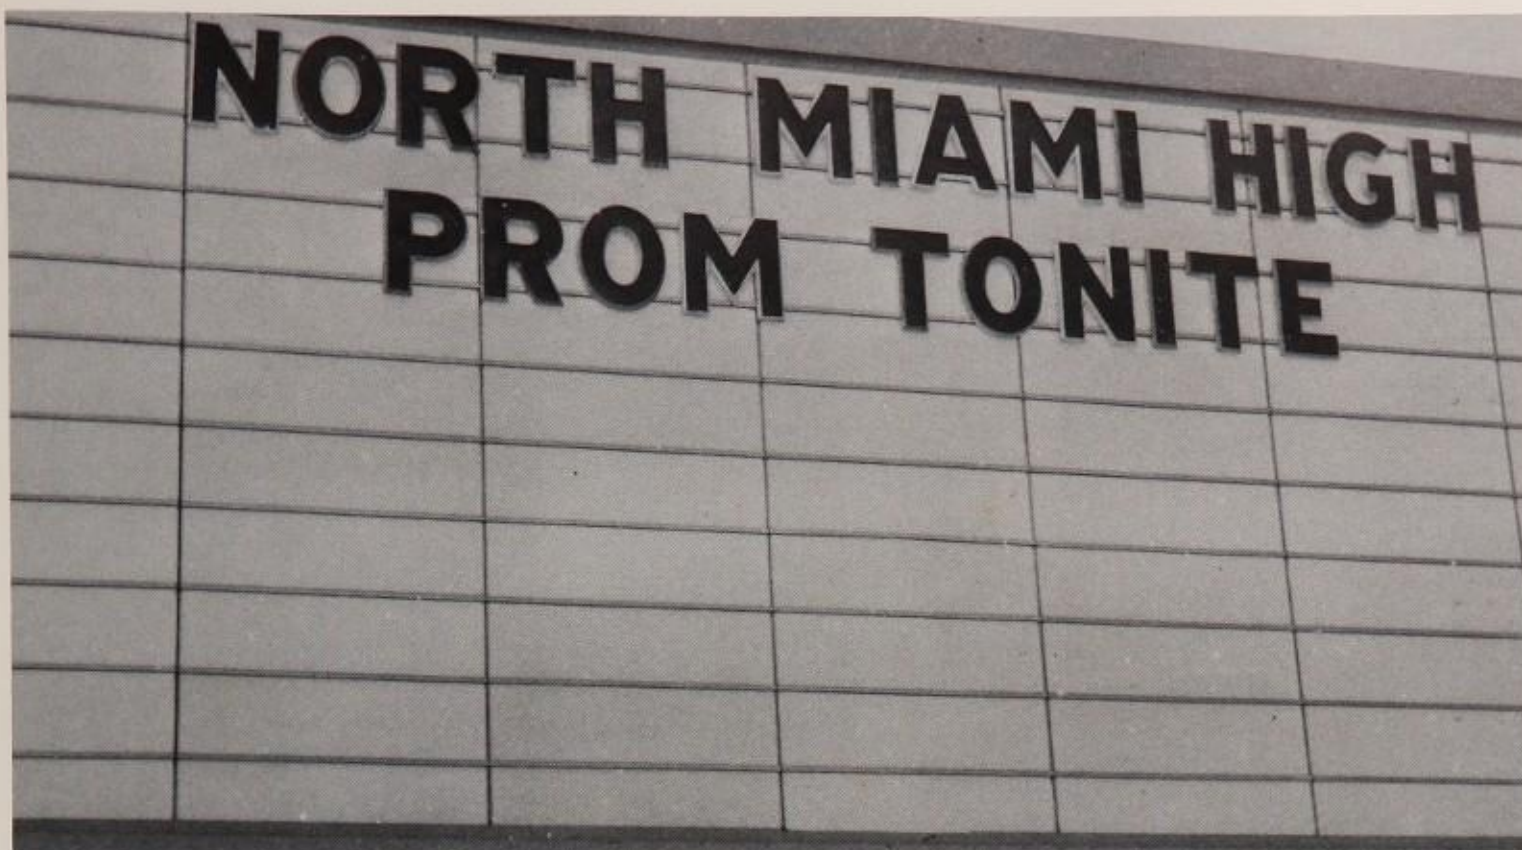

The characters of Alice in Wonderland came to life as Sophomore attendants served the various pastries and cookies to the Junior and Senior couples.

As the evening drew to a close, strains of "Somewhere Over the Rainbow" bid its couples a farewell from a world of fantasy.

"Now if we begin over there . . ." begins Diane.

Steeple of castles adorn auditorium to create a world of fantasy.

graduation

Graduation held many faces and moods for the Class of '66. **The formality of ceremony** with speeches by Mr. Boggy, our Principal, and Leonard Feldman, Valedictorian were a few of these moods. Senior speeches of encouragement, of accomplishments, and of future goals were heard. Graduation introduced **symbols of class unity**: our song; "Walk Hand in Hand with Me", our flower; Yellow Rose, our colors; White and Gold; our motto; "The past is in our hearts, the present in our minds and the future in our hands." Graduation became **a time to recollect** moments that were cherished, memories never to be forgotten, the people who have made lasting impressions on our lives and bonds of lasting friendships that have been formed. Graduation was **the Class of '66**.

Memories cherished by all seniors—of solitude, of laughter, of lasting friendship.

Graduation—the formality of ceremony, the apex of our school life.

Every May, the Senior Class votes to select eight heralds and twenty usherettes from the Junior Class to take part in the graduation ceremonies.

Dressed in floor-length pure-white gowns and draped with shoulder garlands, the Heralds lead the graduation procession to the traditional "Pomp and Circumstance."

Usherettes, dressed in pastel colors, assist in the graduation ceremonies by passing out programs and seating the guests.

rendering service to nm — '66 pioneers

Leadership, school spirit, and service are the many faces of a Pioneer. Exemplifying the highest quality of individual character, a Pioneer is an honored part of every class.

Beginning in the tenth grade, a Pioneer helps to organize his class and continues to contribute to its growth. He helps his fellow classmates through the first days of confusion, through the busy days of underclass projects, and through the maze of graduation. During this time, many obstacles have to be overcome, many moods to be conquered, and many faces to be met.

Chosen each spring by the faculty on the basis of individual leadership, school spirit, and service rendered to North Miami, the Pioneers are among the top leaders of North Miami. Radiating warmth, friendliness, and an endless supply of energy are the Pioneers of the Class of '66. They are: Paula Braveman, Mark Antin, Jim Edmiston, Jean Fillyaw, Sally Hyrne, Jim Chapman, Greg Miller, and Charlotte Biskup.

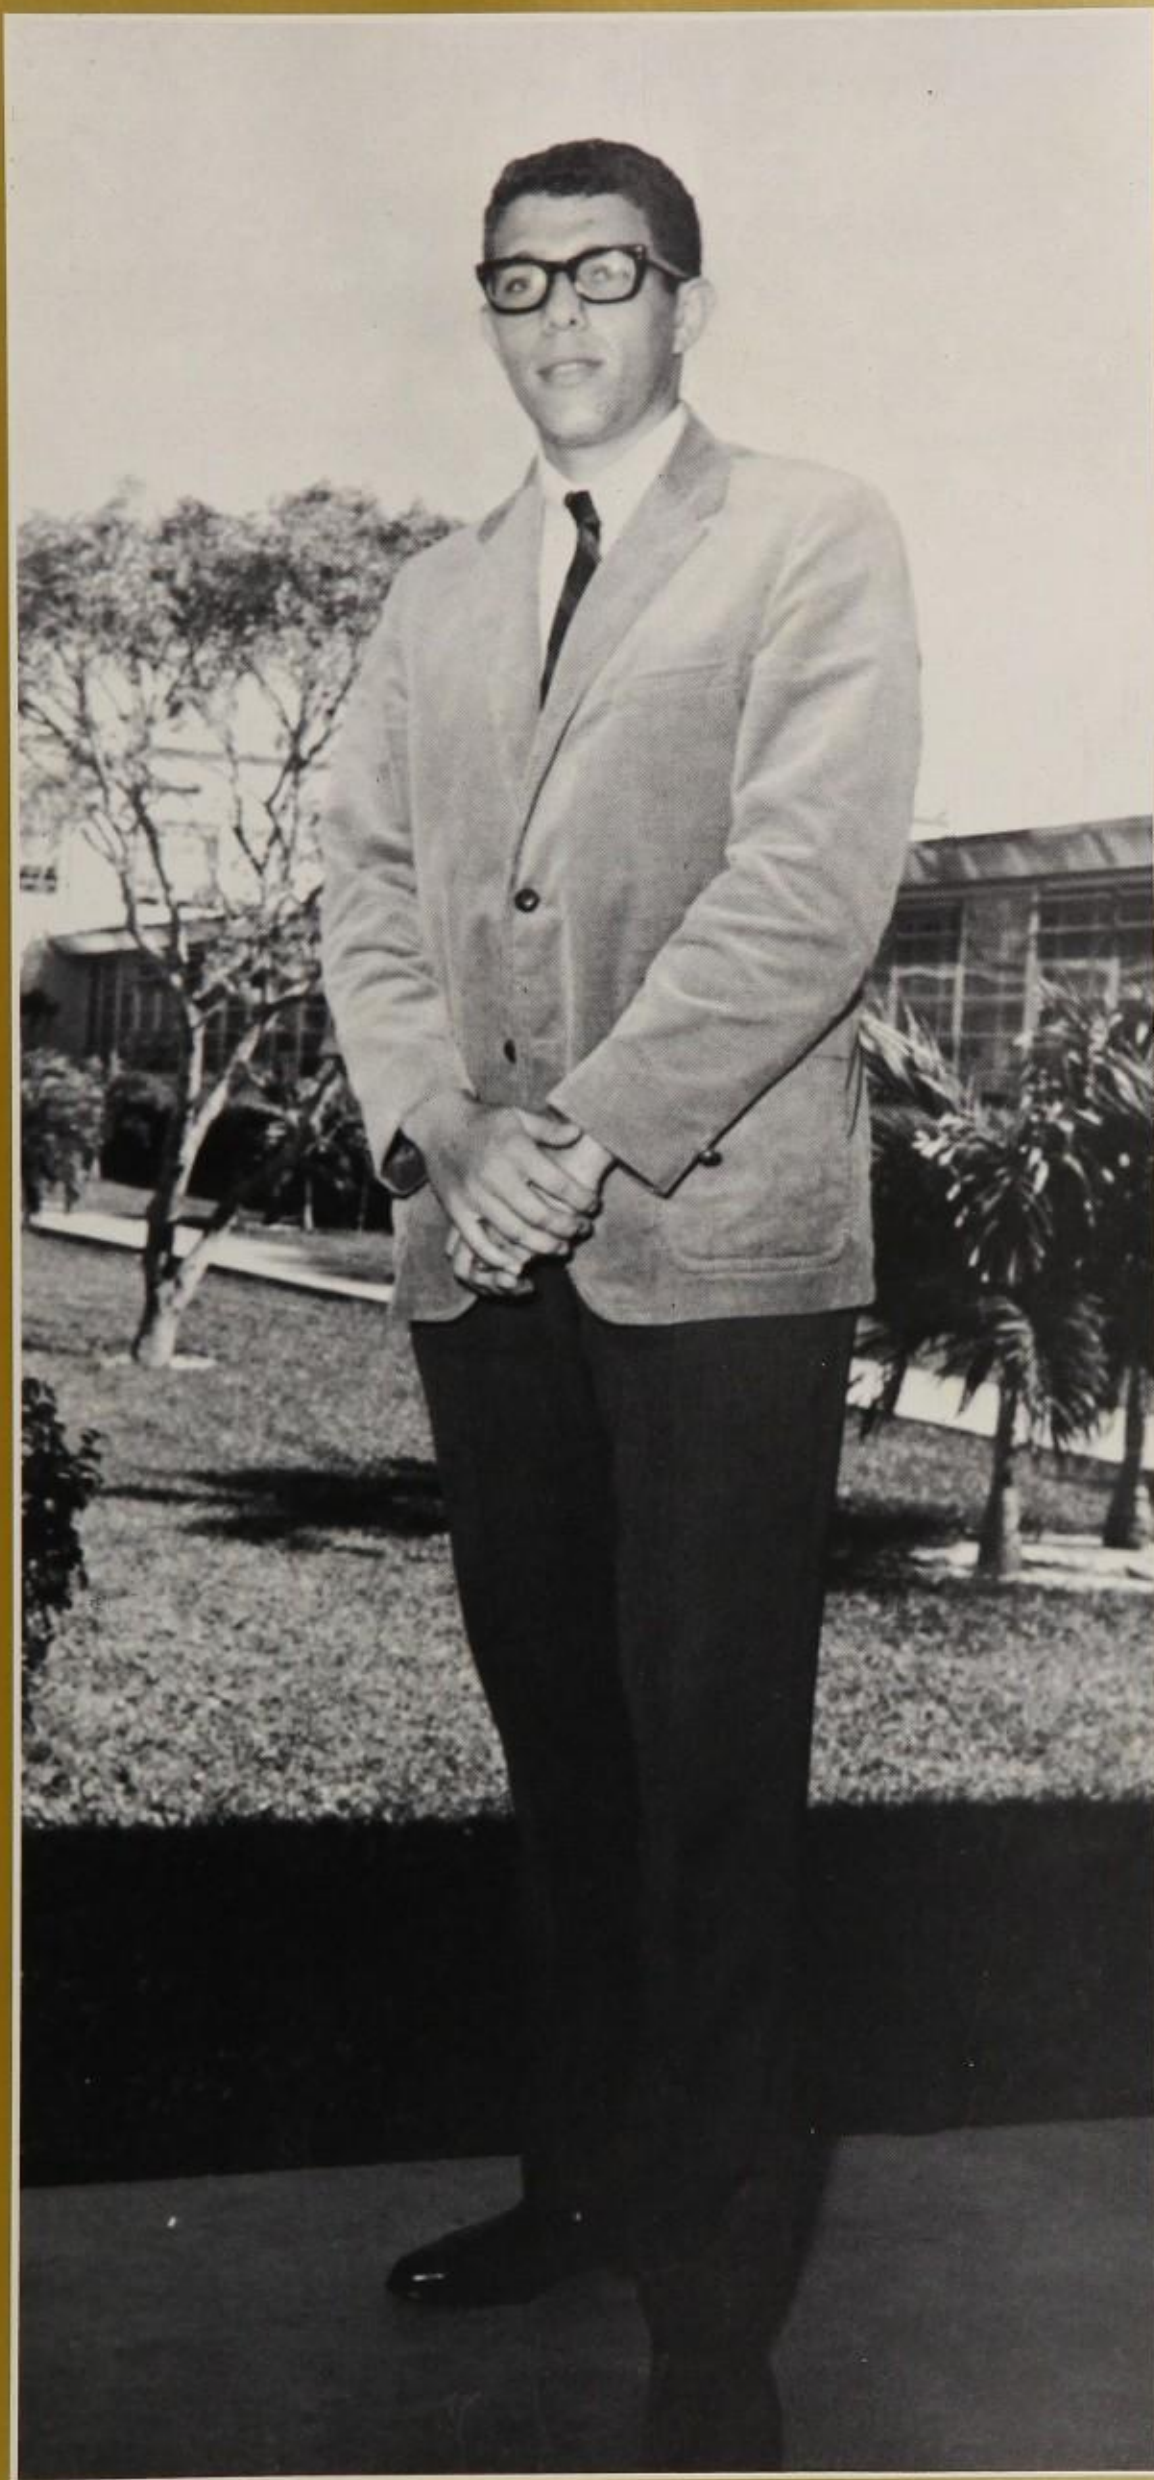

Bringing to life the meaning of North Miami, putting to use the facilities of North Miami, and magnifying the opportunity of individual growth at North Miami, are the Pioneers—the faces of North Miami.

paula braveman

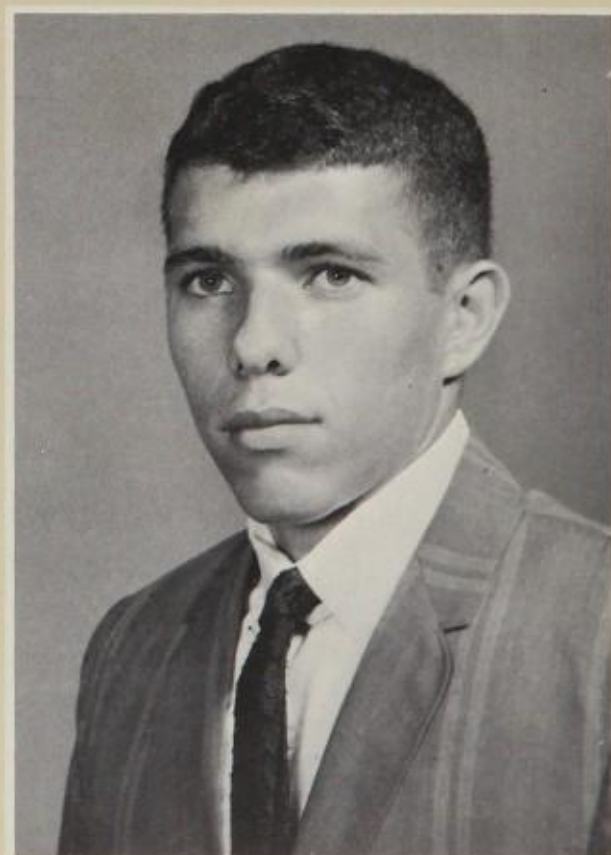

Paula Braveman's school days have been filled with highly deserved honors and awards. As Sophomore Class President, Paula helped organize the Class of '66. The following year, she became an A.F.S. candidate and was honored as a Graduation Herald. This year, she was chosen for a Senior Superlative as "Most Intellectual." Her school activities have included membership in Beta National Honor Society, the Student Council Executive Board, and Parliamentarian of the Junior Class. With all her interests, Paula graduated second in the class.

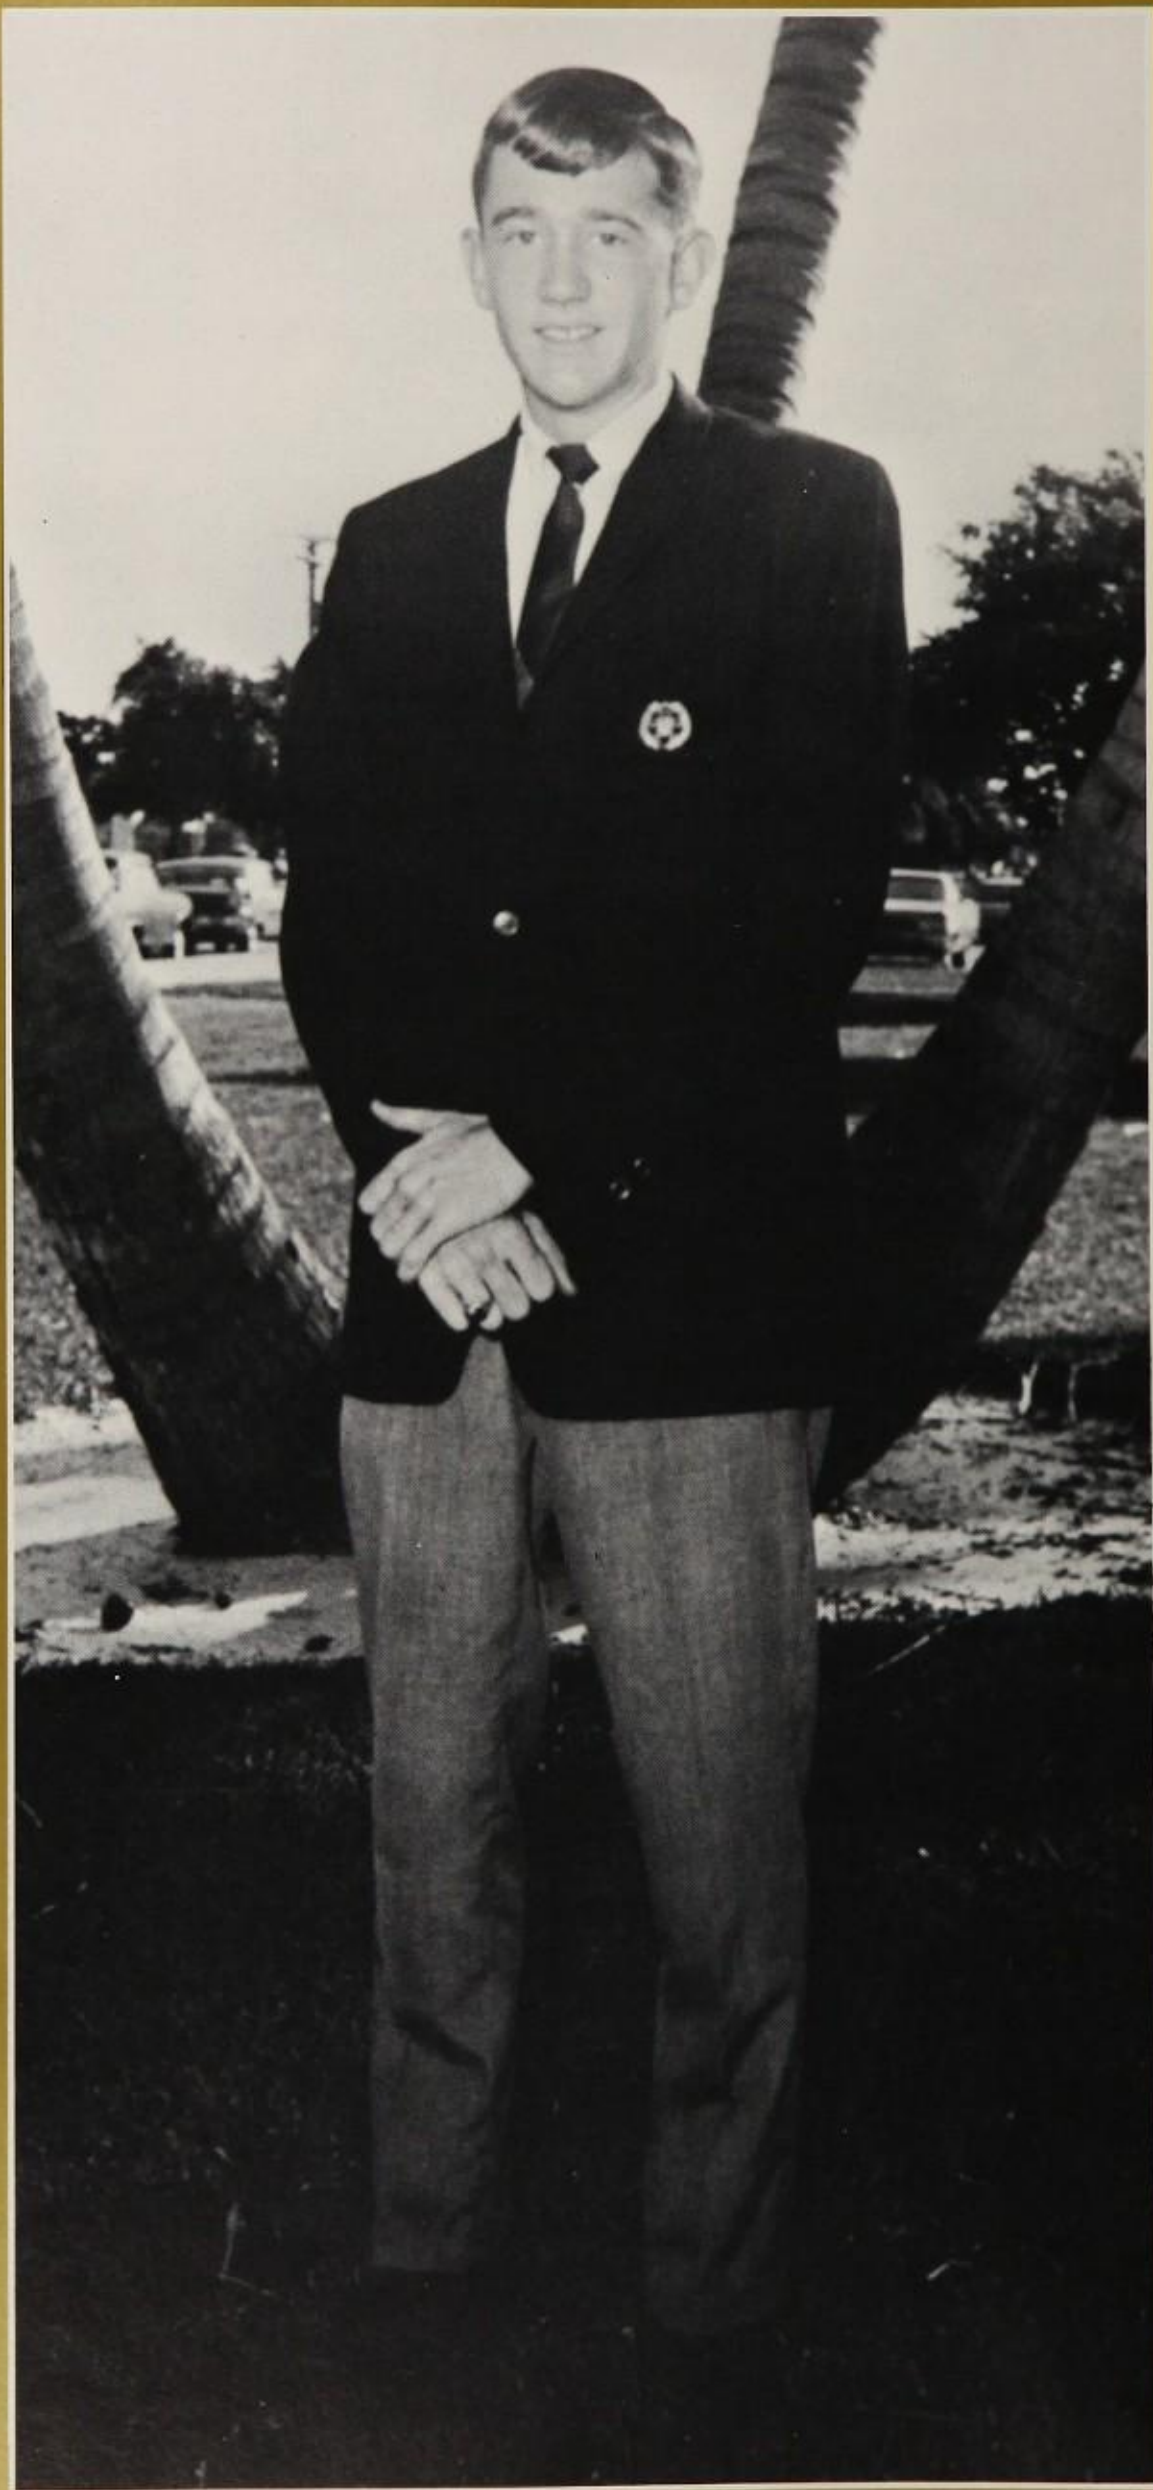

Hard working and dedicated describe Mark Antin's attitude toward his varied school activities. Mark has used his talents for the improvement of North Miami and his class. He was a member of Beta National Honor Society in eleventh grade and served as its President during the twelfth grade. He is, also, a member and the treasurer of Interact. During the eleventh grade, he gave of his talents as the Prom Committee Chairman. This year, Mark served on the Student Honor Committee on Government.

jim edmiston

Involved in almost every activity at North Miami depicts Jim Edmiston's busy life. As Student Council President, Jim conducts all meetings and is in charge of Council projects. During the tenth grade, he participated in the Junior Varsity basketball program. Jim is, also, a three-year member of Hi-Y Service Club. In the eleventh grade, he was a representative for Boy's State in Tallahassee. This year, Jim was chosen for the Senior Superlative position of "Done Most for North Miami."

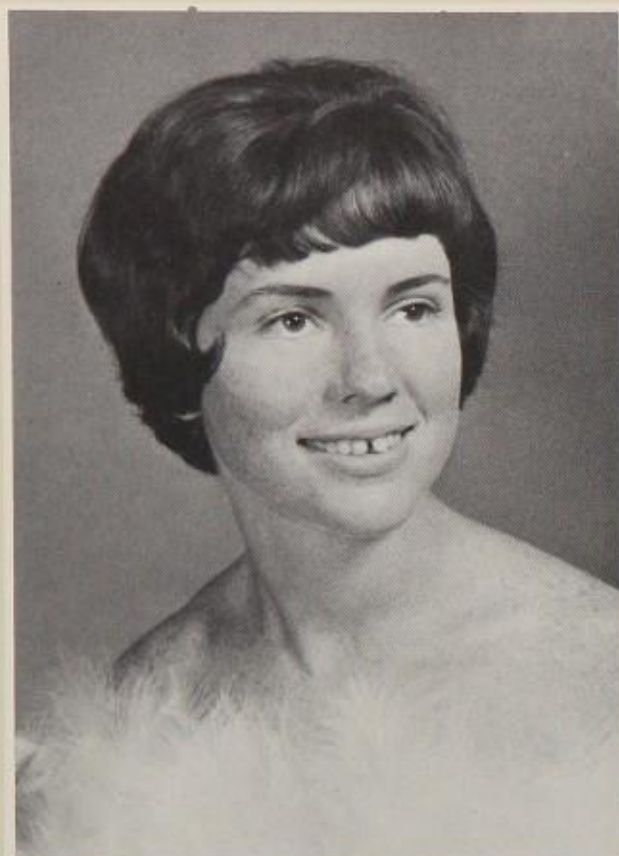

Service to her class and school has dominated Jean Fillyaw's school days. She has helped her class as Treasurer during the tenth, eleventh, and twelfth grades. In the eleventh grade, Jean worked on the Prom Committee, was a representative for the Junior Class, and served on the Student Council. Jean's club activities include Civinettes, Preps, and Quill and Scroll. During the eleventh and twelfth grades, she was, also, Senior Class Editor on the Conestoga. This year Jean served as a Senior Consultant to a Sophomore homeroom and as Chairman of the caps and gown committee.

sally hyrne

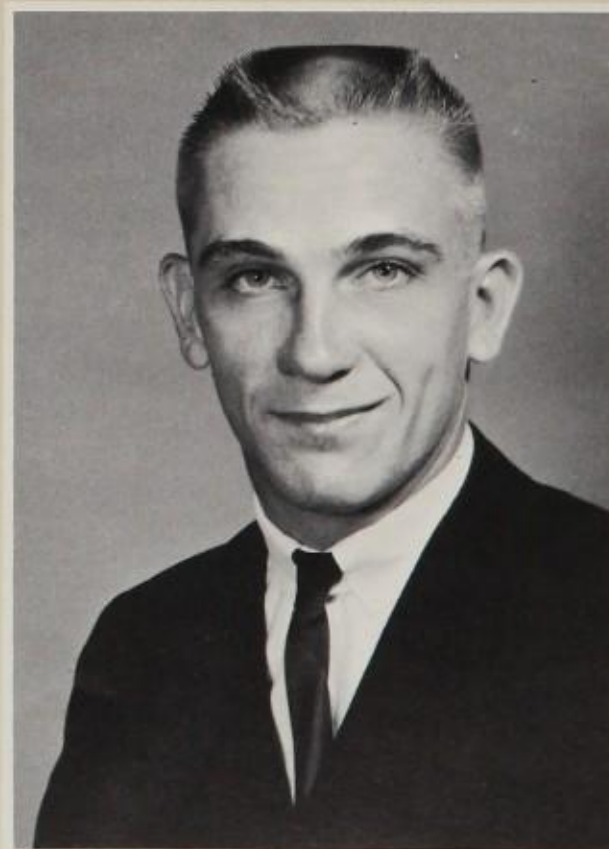

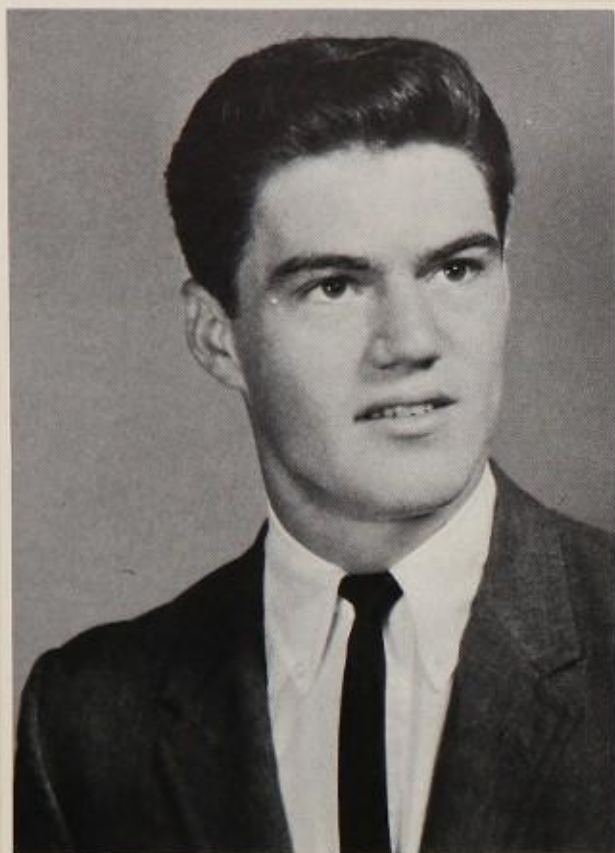

Bubbling with pep and energy, Sally Hyrne has served North Miami as a Cheerleader and an honor student. Her boundless energy has sustained her as a J.V. Cheerleader in tenth grade and a Varsity Cheerleader in twelfth. During Sally's eleventh grade, she participated in Girl's State, Pionaires, and contest choir. She was, also, a National Merit Semi-finalist and a candidate for the A.F.S. foreign exchange program. Sally has been active in Honoria Service Club and has been a Student Council representative.

Outstanding athletic ability is Jim Chapman's most notable characteristic. During the tenth grade, he played Junior Varsity basketball and lettered in football and baseball in twelfth grade. As Captain of the "Pioneer" football team, he led North Miami to a winning season. Jim has helped his school and community through his work as a member and treasurer of Junior Civitan. The Senior Superlative title "Most Athletic" is quite fitting for Jim.

A quick smile and a warm "hi" are the two basic components of Greg Miller's personality. During the tenth, eleventh, and twelfth grades, Greg has been an active member of Hi-Y. He has served Hi-Y Service Club as Vice President in the eleventh grade and as President in the twelfth. This year, he served North Miami as a member of the Inter-Club Council and as the social director of the Student Council. Greg's congenial character won him the position of Sorrota Sweetheart this year.

charlotte biskup

During the last three years, Charlotte Biskup has been constantly busy in numerous activities. Being President of Sub-Debs Service Club has taken a great deal of her time. However, she is Student Council Chaplain and is in Honor Garde. As Corresponding Secretary for the Inter-Club Council, Charlotte served the school in coordinating individual club projects. She has, also, gained valuable experience as a representative on the Burdine's Teen Board. Her friendliness and warmth won her the position of Sweetheart of Pioneers Spirit Club and the admiration of all who have known her.

SMOTHERS
BROTHERS

Dear Fran and Doreen,

We were honored when we learned that you had asked us to judge your "Miss Conestoga" Beauty Contest. However, when we saw the pictures of the contestants we realized that the job of selecting the prettiest couldn't be left up to mere mortals.

So we got in touch with Tommy's Heavenly Chief, Ralph, and asked him to help us out. He made the selections and we'll have to agree that they're pretty good ones.

Next time could you do us a favor and throw in just a couple of duds to make life easier for us.

Warmest regards,
THE SMOTHERS BROTHERS

Homecoming decorations set the pace for the week's activities.

picnics, queens, football, hall decorations . . .

During the annual Homecoming celebration, North Miami took on many new and varied faces. New ideas and new activities set the week's pace of events.

Beginning the Saturday before Homecoming Week, the clubs began decorating the halls and wings for the second annual competitive judging. Each club added to the school spirit by depicting scenes of football accomplishments or school assets. Wednesday yielded a 20-0 victory over the Hialeah Thoroughbreds, giving North Miami the Northern Division Championship. During halftime, the 1965-66 Homecoming Queen, Jeanne Hedgecock, and her court were presented to the student body.

To end the week, the first Homecoming Bar-b-que and Senior Walk Dance were held for the student body. Sponsored by the Student Council, it, also, served as a means of increasing school spirit.

Homecoming brought a New Queen and her court, Sorrotatas first place winner in the club competition, new precedents, and the Northern Division Championship of the Gold Coast Conference.

Pioneers carry school sign before start of Hialeah—NM game.

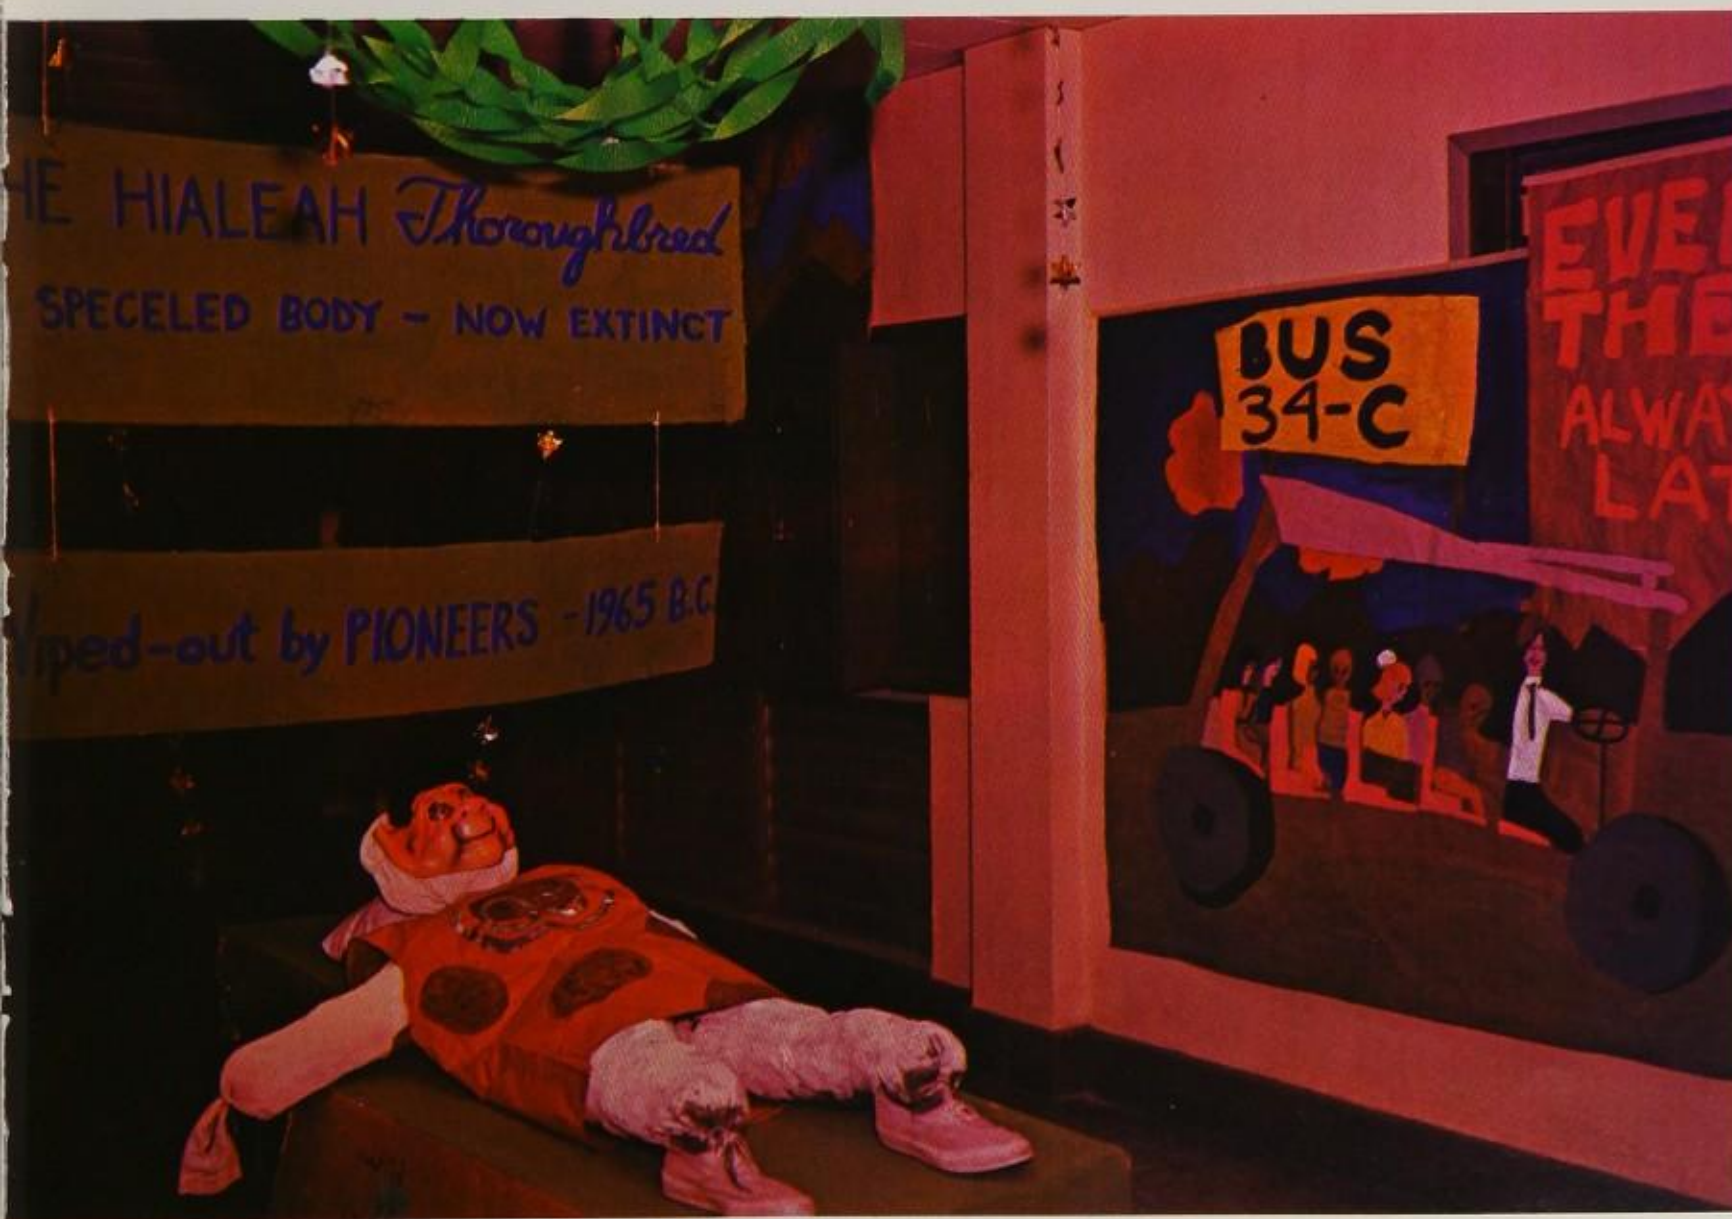

The Marching band began a new trend for homecoming—a Bar-b-que.

foreign exchange student — susana siderman

Petite, warm, friendly and bubbling with energy—this is Susana Siderman, our foreign exchange student from Tucuman, Argentina. She is the eighth foreign exchange student to come to North Miami through the American Field Service Program. Through this program, Susana has lived in the home of Senior Doreen Grayson for ten months.

North Miami's co-ed student body of 3400 is quite a change from the all-girl school of 400 Susana attended in Argentina. She has found it interesting and challenging to become a part of the Pioneer family.

Her favorite hobbies are cooking and playing the guitar, which she has learned with her "sister", Doreen.

Susana is as busy at North Miami as she was in Argentina. Her many activities include membership in the American Field Service Club, the Spanish National Honor Society, Honoria Service Club, and Preps.

Susana B. Siderman—our foreign exchange student from Tucuman, Argentina.

Spending much of her time studying, Susana is an excellent student.

girl's and boy's state

Developing a machine of government based on American principles which would help people to govern themselves and make progress was the theme of this year's Boy's and Girl's State.

Each year a group of students travel to Tallahassee to participate in a one-week seminar. During this week they organize a complete state government and set it functioning. Through the experience they gain by exercising such power, they're able to express what an American is, and what his part is in governing himself.

Little theater stage—quiet after a hard day, cluttered after a productive one.

To promote love of the theater, understanding of humanity, and personal growth through active participation in the dramatic arts are the goals of the Drama Department.

Under the supervision of Mrs. Davis, the Drama Department produced two full-length plays; Ionesco's **Rhinoceros** and Richardson's **The Prodigal**. They, also, produced **Puss in Boots** for the surrounding elementary schools and **Oedipus Rex** for the annual University of Miami's Drama Festival.

Theater is a cooperative effort, not a gimmick to promote self-indulgence. Through active participation, unity in purpose and the attainment of goals, as a team, are reached.

Setting two precedents during their Sophomore year, the class of '67 has become an active part of the Pioneer family. Working together with the Student Council, they contributed to the beautification projects around the school. As this year's Junior class, they sponsored the annual magazine drive to finance the Junior-Senior Prom. They reached a goal of \$6,000.00; the highest in North Miami's history.

Annual magazine drive began with posters and oral commitments.

Bill Sagona consults Sponsor, Mr. Dohonue, on the Prom budget.

OFFICERS: Bill Sagona, President; Wendy Boulton, Treasurer; Jean Azelvandre, Rec. Secretary; Cathy Cornelius, Corr. Secretary; Jim Clark, Vice President.

ADVISORY BOARD: ROW 1: Jackie Cain; Marlene Onrot; Wendy Mann; Rita Grossberg; ROW 2: James Pewitt; Jim Clark; Mr. Donohue; Mrs. Temple; Bill Sagona; Marco Lafredo.

"Support" signs added a boost to the magazine drive.

Sophomore orientation introduced many students to North Miami.

OFFICERS: Mark Grayson, President; Coleen Devaney, Vice President; Janet Gandy, Treasurer; Jackie Erney, Corr. Secretary; Not pictured: Jean Byrnes, Rec. Secretary

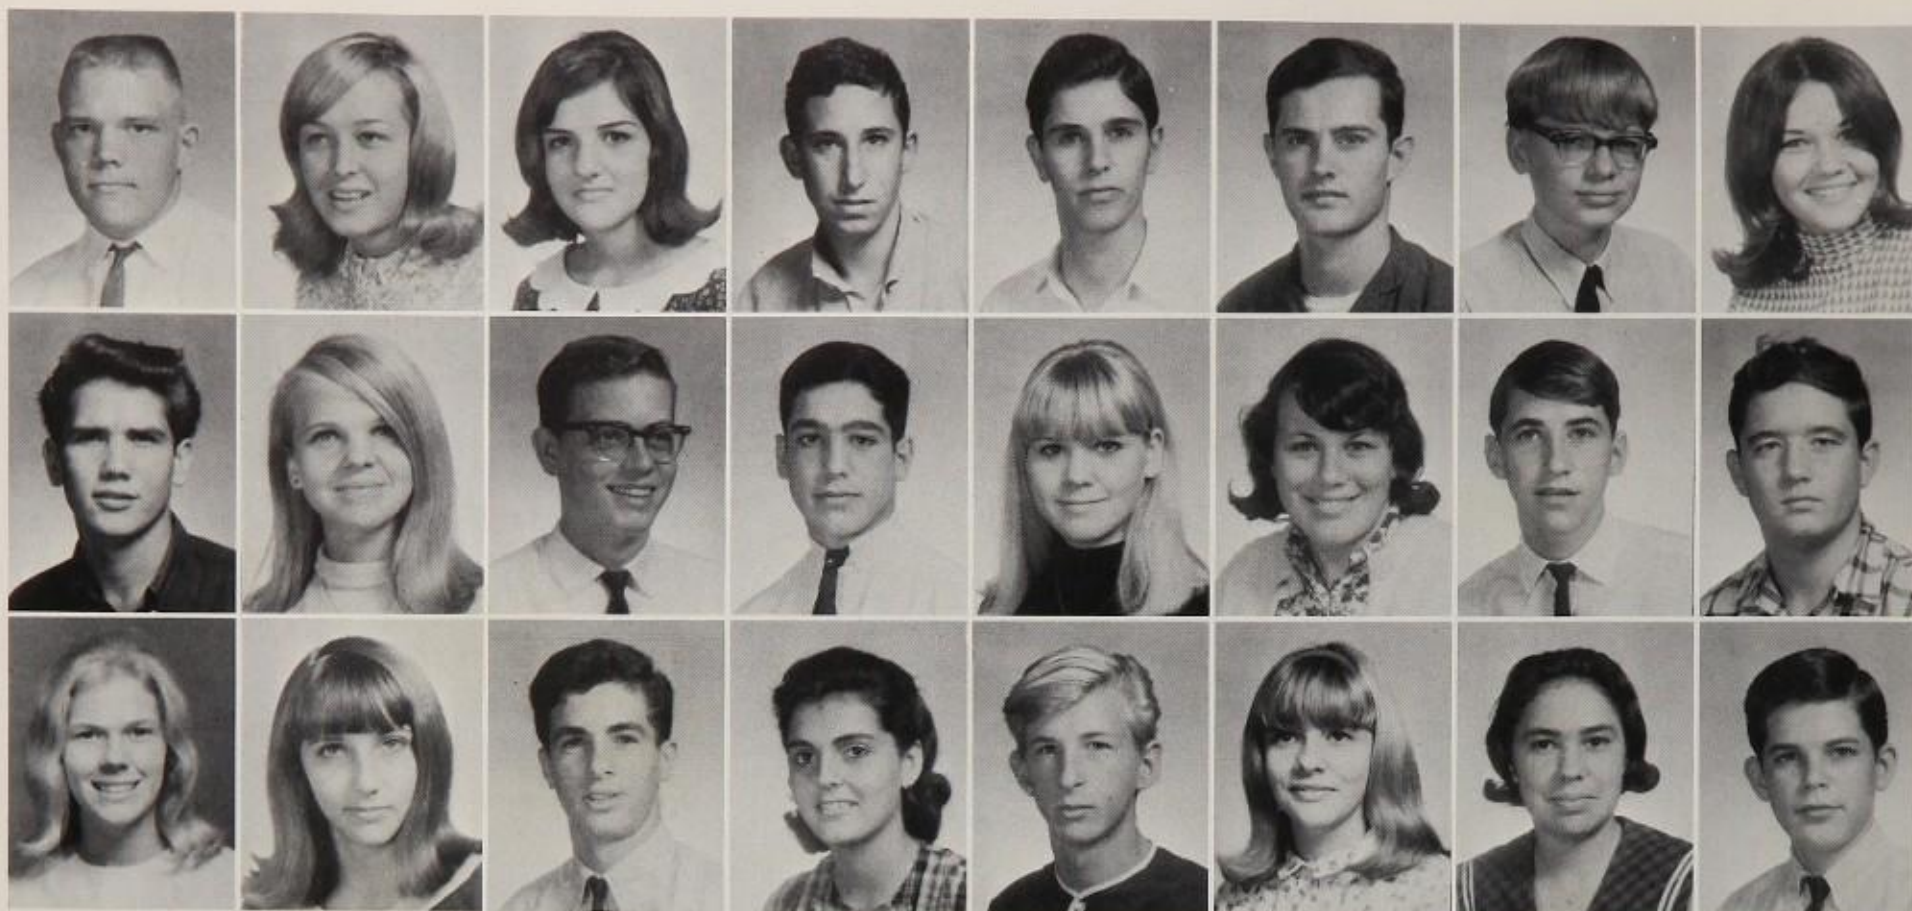

ADVISORY BOARD: ROW 1: J. Carver; R. Kuobloch; J. Gandy; S. Rosenblatt; J. Erney; J. Ray. ROW 2: D. Stratos; M. Holt; J. Malarkey; C. Bryan; S. Coppage; C. Devaney. ROW 3: M. Berman; A. Edmiston; B. Novell; G. Gross; S. Pepper; M. Grayson.

"Are you sure you can't make it to the meeting?" questions Mark.

August's Sophomore orientation introduced the class of '68 to North Miami, Home of the Pioneers. To become an active part of the Pioneer family, the class of '68 participated in the annual sophomore projects. In October, they elected class officers to regulate their class activities and they held a dues drive to finance their class projects. Among their many activities were the annual Huki-Lau, a skit in Forensic Follies, and a bake sale.

After high school ...what direction?

A solid educational background becomes increasingly important in getting and holding a good job and enjoying a better way of life.

A college diploma is an investment that will continue to pay dividends. College grads can expect to out-earn high school graduates by 70%.

Florida's universities, colleges and junior colleges are in a period of unprecedented growth, both academically and physically. The college of your choice can prove to be your best friend.

Whatever you decide to do...good luck, best wishes, and more power to you.

9 OUT OF 10 "PROS" COOK WITH GAS!

Lots of luck to the one chef in ten who cooks with the "high priced" service. We hope he's rich . . . he'll need to be to pay his bills!

Ninety percent of all professional cooking is done with gas. Convincing evidence as to its speed, cleanliness, efficiency, economy and, above all, results. Gas heats homes, dries clothes, heats water better, too. Won't you let us prove it?

epilogue

People, faces, **moods**—the setting for Conestoga '66. Without them, entangled within all phases of school life, this volume would not be. They enhance their surroundings ... give pleasure to feelings ... sadden pensive thoughts. They show emotion, inner feelings, and passion of moods ...

Faces, moods, **people**—the backbone of Conestoga '66; working diligently, hour upon hour, for success ... Miss Linda Baskind, advisor ... my sincere and cooperative staff ... Taylor Publishing Co. ... Byron Kennedy ... Our photographers ... photo-reflex studio ... All striving to work together toward a common achievement ...

Moods, people, **faces**—the profile of Conestoga '66 ... A picture of mankind ... observing ... searching ... and grasping. Each face illuminates character and personality leading each to his future ... of life ... of success ... of contentment ...

People, faces, moods ... Conestoga 1966 ... The end ... and yet, the beginning ... I thank you ...

"Gosh, I can't believe it's finally finished!"

Ken —
You just
didn't try hard
enough. Continue the
way you are and I'm sure
you'll go far. You've been a
great help to me this year.
Loads of love,
Vicky Wladawski

Ken,
You have a great
personality and will take
you far in this world
but just for luck!
Best of luck

Ken,
It really seems
crazy that we are
graduating we have
practically grown up
together ever since
elementary school &
and it just
doesn't seem
possible. I
wish you all
the best
possible,
Love,

Ken,

To a real swell guy
who I'll never forget. Remember
all the fun we had together.
May you receive only the best
in the years to come.

Now since you are moving,
please if you can drop me a line
once in a while.

Love, "66"
Dani

Ken,
Remember the great
time we had together in
the great Dawlen's class. Don't
ever forget OTTO.
Chuck.

Ken,
I'll always remember
you. I wish we could have
known each other better. You're
a great guy, with a terrific sense
of humor. Best of luck always.

Love,
